- 2. All military personnel are prohibited from entering any establishment listed above or utilizing its services unless required by competent authority. Military personnel (whether in uniform or civilian attire) found entering, leaving or conducting business with any of these establishments may be subject to disciplinary actions under the Uniform Code of Military Justice. Additionally, personnel traveling on official orders to another military installation's area of responsibility need to contact that installation's Armed Forces Disciplinary Control Board or visit that installation's website to understand what entities are off limits to military personnel. Not all military installations have posted their off limits list to their website.
- 3. Widest dissemination of this information is directed to ensure awareness and compliance by all military personnel. Copies of this notice should be publicized through the base website, CPAC and Base Newcomer briefings, the Hurlburt Field Bulletin, and posted on bulletin boards and other high-traffic locations throughout the installation.
- 4. This memorandum supersedes the previous memorandum, same subject, dated 8 Jun 20.
